STEP 2 Select your CILEx Level 6 course(s)

Please select only the courses that you wish to start studying now. If you are working towards a CILEx qualification, you should be aware of the structure of the qualification, and the rules of combination of units within it, and this information is given in the paragraphs below and in the columns on the right. If you would like advice on course selection, please get in touch with us.

If you are working towards the **CILEx Level 6 Professional Higher Diploma in Law and Practice (PHDLP)** you need to study three law units, one practice unit and both professional skills units. One of the law units must link to your chosen practice unit. The table opposite shows which law units link with each of the practice units.

Law graduates working towards the **CILEx Graduate Fast-track Diploma (GFTD)** need to study two practice units and the Client Care Skills unit. One of your practice units must link to a law unit you have already studied as part of your law degree or GDL. Please refer to the table below for the relevant law units. Please note no law unit is studied as part of your GFTD qualification.

Please read the terms and conditions and sign the declaration below. The terms and conditions refer to Policies which can be found on our website.

What's included in your course fee:

Course duration: tuition and access to the VLE and online resources for fifteen months from the date of enrolment. Study exercises and mock exams on law and practice courses, and assessed assignments on professional skills courses, must be submitted for marking at least four weeks before the expiration date.

Live sessions/workshops: attendance at one revision session for a law or practice unit, or one workshop for a professional skills unit. In addition, you can also book to attend a welcome webinar and induction session with the purchase of your first Level 6 course. Your entitlement to attend live sessions/workshops relates only to the sessions/workshops occurring during the period of validity of your course and cannot be carried forward. We do not guarantee that there will be space available at your selected session/workshop and you are strongly advised to book as early as possible to secure your place.

Professional skills markings: up to two markings of your Client Care Skills assessed assignment and up to three markings for Task 1 of the assessed assignment and, where relevant, two markings of the remaining tasks for Legal Search Skills. We will use our best endeavours to ensure that any assignment submitted for marking before the CLS deadline will be marked once before the CILEx exam entry deadline, and we will endeavour to mark any assignment within a period of four weeks. Please refer to the Skills Referral Policy for further information.

Additional fees/costs include, where applicable:

Live sessions/workshops: a £10 administration fee per live session/workshop, payable at the time of booking. We will not be liable for any costs associated with attending such events (e.g. travel, accommodation).

Professional skills subject champion: a £75 subject champion referral fee, where you require more than the number of markings of the assessed assignment that are included within the course fee. You can purchase a maximum of two subject champion referrals before a course is terminated. Please refer to the Skills Referral Policy for further information.

International shipping: where you require your materials shipped internationally (outside mainland GB), you will incur a one-time postage fee of £15 for Europe and £25 for outside Europe.

CILEx membership: anyone who wishes to sit a CILEx Level 6 exam or assessment must be a current member of CILEx unless you are sitting an exam as a CILEx Level 6 Single Subject Certificate. It is your responsibility to familiarise yourself with and stay up to date on CILEx membership rules and regulations to ensure that you have met their conditions. You are responsible for paying the CILEx membership fee. Refer to www.cilex.org.uk for further information.

Exam registration: Enrolment on a course does not constitute exam entry. You are responsible for registering to enter the relevant CILEx exam including for paying the exam entry fee and making the relevant arrangements, particularly if you live overseas as you will be required to locate and organise your own external examination centre.

Contract/contracting parties:

This contract is between the student enrolling and CILEx Law School (CLS), part of the Chartered Institute of Legal Executives (CILEx). The course, including the associated resources, is not transferable to any other party. The laws of England and Wales shall apply in all respects and the courts of England and Wales shall have exclusive jurisdiction.

Any unauthorised reproduction or transmission of any part of the course materials, whether electronically or otherwise, will constitute an infringement of copyright. No part of the materials may be lent, resold or hired out for any purpose without prior written permission. We will withdraw the course without compensation from any student found or suspected of abusing our copyright and refer the matter to CILEx Regulation.

Disruption/cancellation:

Disruption: where the provision of our products and services is disrupted, or where we are unable to deliver our products and services as originally intended, due to unforeseen circumstances reasonably beyond our control, we will endeavour where possible, but cannot guarantee, to put in place alternative arrangements.

Unforeseen circumstances include, but are not limited to, acts of God, strikes, war or acts of terrorism, equipment, transport or transmission failure or damage reasonably beyond our control, or epidemic and/or pandemic or other causes reasonably beyond our control.

Downtime: no refund or compensation will be given for periods of non-availability of our Virtual Learning Environment (VLE) or any of its features.

Cancellation: we reserve the right to cancel live sessions/workshops if there is insufficient demand. In the event of us having to cancel, we will endeavour to offer to re-run the session/workshop on an alternative date.

Delivery of course materials:

We aim to deliver your course materials within 14 days of receipt of your order, or 28 days if you live overseas, unless we contact you to advise of any delays. We will not accept liability for any claims for losses arising from delivery outside this period.

Entrance requirements:

You are strongly recommended to have studied at CILEx Level 3, A Level or degree level to be able to achieve success in any CILEx Level 6 exam. You should be aware of any entrance requirements relating to the particular CILEx qualification that you are studying before enrolling with CLS.

Your entitlement to a session/workshop will be forfeited if you make a booking and do not attend, or do not cancel the booking by email at least 5 days before the session/workshop.

Refund/change of course:

We offer refunds as follows:
